←November 2nd was “Seminary Student Day” so we took five young people to spend the day at the seminary where we have two students from our church; our son Matthew and another young lady named Deborah.

November 4th marked the day that we moved the Igreja Batista Vitória a new location. We as a church were led by the Lord to make this move from the location we had been in since starting this work in 2003, to a location about two miles away that better meets our needs.

←Then we set out to distribute invitations to our first service at the new location that was held on Sunday, November 7.

We praise the Lord that we were able to enjoy Thanksgiving Day with another missionary family working in a town about sixty miles from Joinville. It was a blessed time as we thanked the Lord for His many blessing upon us.

The day after Thanksgiving, Soraia traveled to the USA to go before the U. S. Immigration services to become an American Citizen. We are thankful to the Lord for working out all of the details in such a miraculous way so that she had all of her necessary documents ready to return to Brazil on December 09. Praise the Lord!

←On Sunday December 19 we had our Church Christmas service with special music by our youth, special testimonies

and Christmas message. Then we had supper together on the grounds. We praise the Lord for two visitors that came and for one that raised her hand during the invitation for salvation. God is good, all the time He is good!

On December 6th Matthew and Priscilla were in an accident with our van. We praise the Lord for His protection and that no one was hurt.

Thank you again for your prayers and support.
Merry Christmas, and have a Christ centered 2011.

James & Soraia Allen
