

Dear supporters and prayer partners,

I am writing you this prayer letter from the beautiful southern town of Monroe, Georgia, USA.

After a thirty minute ride in five very small cars, (needed to carry all six of us plus all the luggage, and some folks that wanted to say goodbye at the airport) then three flights totaling almost twelve hours in the air, with a one hour bus trip in between, we arrived at Hartsfield/Jackson international airport in Atlanta, GA on June 2nd, to begin reporting back to our supporting churches.

We were all so blessed to see some very special folks at the airport to meet us. Besides my father and one of my sisters, our pastor, Derik Lawrence took a group from our home church, Victory Baptist of Loganville, GA, to welcome us home.

And we surely feel welcome! Thank you so much Pastor and our very special Victory Baptist Church family, you are such an encouragement to us. May God bless you for your sweetness to our family.

After working a five year term in Brazil, it is good to be back in the USA, and we look forward to seeing you personally during the next twelve months.

Please pray for us as we travel and present to you the work God is doing in Brazil.

Some of the most recent events in the work in Brazil include the salvation of a teenage girl named Priscila, and two ladies coming forward for salvation in our cottage prayer meeting.

In May my father and brother came to Brazil for the sixth anniversary of the Church in Joinville, our family ministered in a family conference in the nearby city of Itajaí, we also registered the church before the Brazilian government, and turned over the responsibility for the church to Brother Ricardo. The Lord willing we will return to this work after furlough to ordain this faithful man as pastor. Please pray for him and his wife Monica and their son Caleb.

Since we arrived in the USA God has worked in a tremendous way providing our family with a place to stay, furniture, vehicles, food, beds, and even toys for the children to play with. I thank the Lord for those who have and are being such a blessing to our family. We cannot find the words to properly thank you.

In Christ's never failing Love, James and Soraia Allen
