Dear supporters and Prayer Partners,

Monroe, GA September 11, 2009

On this day I write to you with a thankful heart. I am thankful to our Lord for the opportunity to serve Him in a time such as now. I am thankful that the Lord has called me into this ministry of missions and that you and I together are striving to reach this world for our Lord and Savior Jesus Christ.

News of our "Furlough": Thus far it has been such a blessing. We have had the precious opportunity to be at our Home Church for several services and be a part of that great work of the Lord here in Georgia. We are so very thankful that they have raised their support level for us in an awesome way.

We have also reported to several of our supporting churches and have presented our burden to some new ones. We are thankful for two churches that have prayerfully taken us on for support, news that has encouraged us greatly, due to the need for such increase. We continue to pray that God will move on the hearts of others to do the same.

If you would like to have us come and show a DVD presentation and report of the work God is doing through us in Brazil, please let us know by sending us a quick e-mail to jamesallen@mwbm.org or call 770-696-3874. We would love the opportunity.

News from our Field: We have received great reports given to us by Ricardo. We maintain constant phone calls and e-mails with him to encourage and be encouraged on how things are doing in Joinville. He has reported that several families have visited the church, and that one young girl trusted Christ as Savior. Also, a few of the men have "stepped up to the plate" and are helping him with the ministry responsibilities, such as preaching at the weekly "Morro do Meio" neighborhood outreach. The young Bible School student named Déborah is also doing well in her studies.

News of our Family: Upon completing physicals Soraia and James received good reports from the Doctors, Praise the Lord. Priscilla is well and just started her eighth grade ACE material. Matthew is nineteen now and seeking God's will for his life. Stephanie just had her tonsils removed and is recuperating well, and Frank is just being a two year old! "Get off of that chair son..." Oh, I'm sorry, my hands kept writing. We love you my brethren! Thank you for your prayers and support.

*Now I beseech you, brethren, for the Lord Jesus Christ's sake, and for the love of the Spirit, that ye strive together with me in your prayers to God for me;
